Use with StoryBook Creator FREE or StoryBook Creator Plus. Also featured in the Photo Solutions Catalog.

Once you and your Consultant have selected the collection that offers the best solution for your photos, you can pick the software that's appropriate for the level of creativity and flexibility you desire. Creative Memories offers a free version of StoryBook Creator Software, or you can purchase StoryBook Creator 3.0 Plus for \$69.95.

The free version is perfect for those who simply want to create a StoryBook or other projects by dragging and dropping photos into predesigned pages. If this is your desire, ask your Consultant how you can get the free software to try.

StoryBook Creator 3.0 Plus is for those who want unlimited creative freedom. You can create a StoryBook, as well as other projects like posters, calendars, cards, photo panels and many more gift items from scratch. You also can create custom pages, manipulate photos, change layouts plus so much more.
